IMPRONTA PRESENTS

EXPERIENCE WHITE

Express the very best...in white!

The infinite seduction of white acquires new dimensions: unusual, surprising surfaces, maxi sizes, and decorative wall covering structures. With an extraordinary variety of 6 different surfaces the **White Experience** range reveals the unexpected potential of a timeless material.

In porcelain stoneware with three colours, white experience floor offers specific finishes for indoor floors and outdoor paving's, and is also perfect for covering indoor and outdoor walls.
