Atlas Concorde's **Marvel PRO** range integrates a sought after selection of marble slabs and a porcelain tile to produce an excellent interpretation of natural marble.

Marvel PRO porcelain marble-effect tiles now extend up to a large size format of 750mm x 1500mm to give you complete freedom of creativity!

Available in a Natural, Lappato, Textured or an extra glossy honed finish and with a wide variance of applications to both domestic and commercial spaces the **Marvel PRO** range brightens up any surface and creates a comfortable ambience.

Come and see the Atlas Concorde **Marvel PRO** range at Uptiles showroom 7 days a week or online at www.uptiles.net.
