Saint-Tropez

GRES PORCELLANATO COLORATO IN MASSA
COLOURED BODY PORCELAIN STONEWARE

Per ricreare l'ambiente glamour di Saint-Tropez, con il suo shopping frenetico, champagne a fiumi e spiagge dorate, XCLUSIVE CERAMICA presenta una nuova serie capace di coniugare il feeling della tipica pietra calcarea locale, con le più recenti caratteristiche tecniche che la tecnologia ceramica possa fornire.

Esattamente come ciò che il jet set internazionale è abituato a trovare quando fa ritorno alle proprie lussuose ville dopo aver preso d'assalto le stradine e i ristoranti di Saint-Tropez, potrete ottenere lo stesso risultato estetico tramite la nostra nuova collezione, disponibile in 40x60 ed in un kit che ricrea il famoso schema di posa multiformato ed in varie finiture antiscivolo che ne permettono l'utilizzo sia in ambienti interni che esterni.

Recreating the glamorous feeling of Saint-Tropez, with its never-ending shopping, champagne, and beautiful sandy beaches, XCLUSIVE CERAMICA presents a new series combining the typical local natural limestone effect with the latest available technical characteristics ceramic technology can provide.

Just like what the jet set finds when retreating to their luxury villas after bustling through the busy streets and restaurants of Saint-Tropez, you can bring with you a piece of all that by using our new collection featuring a world-renowned French pattern kit and a 40x60, available in different finishes allowing you to maintain the same feeling both indoor and outdoor.
